

## **Congratulations to the Class of 2015!**

To our Northeast Girls NPL graduating seniors,

The NE Girls NPL member clubs, League Administration and US Club Soccer congratulate all our young ladies graduating from high school this spring. You have accomplished great things both in the classroom, on the field and in the community. We are honored to have had you as part of the NE Girls NPL.

There are 118 women that will continue to play soccer in college. Some of you will continue to play with teammates, some will now dress with women from other NE Girls NPL clubs and some will face opponents they have faced before. While you leave behind your current team, we hope that you take with you the love of the game, a spirit of sportsmanship and valuable lessons learned with a soccer ball at your feet. We are confident that you will make an impact on your new teams.

To our young women beginning new chapters in their lives at college, serving our country, starting careers and exploring new options: we wish you the continued success that you have had in the past now in your new endeavors. The communication, dedication and teamwork skills that you gained on the field will serve you well. You will be leaders in your bright futures.

Once again, it has been a privilege to share this game we love. We wish you the best in the future. And remember, if you go down, stand up, brush off the grass and get back in the game. After all, you are NE Girls NPL women. You are prepared for life!
